NYC Yellow Taxi Analysis

Top key insights and recommendations

Insights

- Peak hour is 18:00 (281K trips), and Friday and Saturday are the busiest days.
- Credit card is used for 66.9% of trips, and tips are about 9.6% of revenue.
- About 1 in 8 trips (6.08%) is an airport trip.
- Only about 1.2% of trips are exceptions, and fare outliers are two thirds of them.
- Curb Mobility has the highest exception rate (about 1.41%), and Flex Fare trips make up 49% of exceptions.

Recommendations

- Put more drivers on the road from 4 PM to 7 PM, Thursday to Saturday.
- Add on-screen tip suggestions (15%, 20%, 25%) on card payments.
- Keep enough cars at airport pick-up lines in the afternoon.
- Ask Curb Mobility to check its meter or data system, and review how Flex Fare trips are recorded.
